**Chair Person's Annual Report 2023**  
**13th November, 2023**

Good Evening Everyone and thank you for attending.

I am delighted to present the Annual Report for Le Rondin School PSFA at this our AGM for 2023. This year has been a testament to the dedication and collective efforts of our staff, parents and the Committee of the PSFA who have worked tirelessly for the benefit of the children who attend the school.

Our primary achievements were the successful organisation of events, including a memorable summer fete, (which raised our highest ever amount for a fete), a lively bingo evening and 2 successful raffles. Our Vice Chairperson has also opened a second hand book stall in reception, which along side the school uniform rail is proving very popular with parents and visitors to the school.

I am delighted to report that for the first year since the pandemic started we were able to send all Year 6 pupils on an enriching residential stay at the Calvert Trust Center on Exmoor. My thanks go to all the staff who worked tirelessly in preparing the children for the trip and to those who accompanied the children. This experience not only created lasting memories but also contributed to the holistic development of our students. It also provided invaluable respite to the childrens' family many of whom attended the Year 6 Calvert Trip Assembly to personally thank the staff.

This year also saw the progression of our endeavors to refurbish the school library with the appointment of an architect Annalisa Spencer. Annalisa has given her time free to the school and has produced a set of inspirational drawings for the PSFA Committee to consider. Our fundraising for this project got off to a magnificent start with all the pupils taking part in a Sponsored Read. This was followed by a generous donation from Torteval Constables. Our challenge for this coming year will be to secure further funds in these difficult financial times in the hope of bringing the project to a successful conclusion.

This year saw the introduction of a new charity law and in response to the new requirements a new PSFA Constitution was drafted and approved. My thanks go to our Secretary, Roisin Sullivan for guiding the Committee through the new legal requirements and for drafting the new Constitution.

I extend my deepest gratitude to our dedicated Staff, parents, Committee Members, volunteers and everyone who contributed to the success of Le Rondin School PSFA this year. In particular I wish to express my gratitude

and I am sure that of all of the School Community to our Treasurer and past Chairperson, Sharon Hodder. Sharon has been the driving force behind the PSFA for 10 years and I thank her for her exemplary Service to the School.

As we look head, in this the 75th Anniversary Year of Special Education Provision in Guernsey, I hope we continue to work hand in hand to ensure that Le Rondin School remains a place of growth, support and community spirit. A place were all children find success and thrive.

Thank You.

Yvonne Hodder  
Chairperson, Le Rondin School PSFA
